# Backyard Conservation Workshop

This is a great workshop for homeowners, business owners, homeowner associations, and anyone else managing a piece of property.

Visit the Indiana Wildlife Federation (IWF) grounds and see a native prairie planting, a backyard wildlife pond, rain garden, rain barrels, bird/butterfly garden, native tree and shrub plantings, and much more!

Hear trained experts discuss how the IWF provides food, water, and shelter for wildlife and how you can do the same on your property.

## General Information

This program will be held outdoors. Please bring a lawn chair for your seating comfort. In the case of severe weather, you will be contacted as to the status of the event.
